Amazon.com: Customer reviews: Berji Kristin: Tales from ...

Berji Kristin: Tales From The Garbage Hills has been described as magic realism but that description did not work for me. I don't think this is a book that fits easily into any neat genre categorisation. It is a novel that is meant to challenge, though not an easy read, one that I won't be forgetting any time soon.

Review: Berji Kristin — The Bosphorus Review Of Books

Berji Kristen is not a great book, but definitely an interesting read about a culture and life not normally given much attention. It's a book of tales loosely connected about the squatters living on the garbage heaps on the outskirts of Istanbul.

BOOK REVIEW / Novels in brief: Berji Kristin: Tales from ...

Berji Kristin: Tales from the Garbage Hills Latife Tekin (trans. Ruth Christie, preface by John Berger, intro. by Saliha Paker) This novel was originally published in 1984 in Turkish, as Berci Kristin Çöp Masalları, the second in a three-book cycle by the writer Latife Tekin (Dear Shameless Death, and Swords of Ice being the others, though each is an independent novel in itself).

The title, "Berji Kristin," joins the word for a provincial shepherd girl with a name taken by urban prostitutes, a fusion of rural values and shantytown realities.

IN SHORT: FICTION - The New York Times

2 Latife Tekin's Berji Kristin: Tales from the Garbage Hills is considered a good example of Magical Realism in Turkish literature. The setting in the novel gains magical qualities as in folk legends, and plays a domineering role in shaping the character profiles.
